

# Kamp!, Distance Of The Modern Hearts

Cast away distance of the modern hearts, uu  
When the light collides the freedom till we fall apart, uu  
Keep away distance of the modern hearts, uu  
When we go our sides in the city of the modern hearts  
Distance of the modern hearts

Uu, uu, uu, uu  
Uu, uu, uu, uu

Cast away distance of the modern hearts, uu  
Will you find me dead in the city of the modern hearts  
Distance of the modern hearts

Uu, uu, uu, uu  
Uu, uu, uu, uu  
Uu, uu, uu, uu  
Uu, uu, uu, uu

Oh, what you hide inside?  
Your help to me has gone tonight  
Sit as it holds tight  
Fires burning down inside

Uu, uu, uu, uu  
Uu, uu, uu, uu  
Distance of the modern hearts

Cast away distance of the modern hearts  
When you?ll find me dead in the city of the modern hearts

Uu, uu, uu, uu  
Uu, uu, uu, uu  
Distance of the modern hearts  
/2x

Girl from long distance, long distance  
Girl from long distance, long distance  
Again you?re all alone,  
Crystal fire burns inside  
Again you?re all alone,  
Crystal fire burns my mind  
Again you?re all alone,  
Crystal fire burns inside  
Again you?re all alone,  
Crystal fire burns my mind
