

# Kampfar, Ravenheart

Dark winds  
Black wings  
Icewinds  
Embraced by the blood  
Of ravenhearts  
Over mountains  
Over fields  
Brought by black wings  
Brought by winds  
Through the icewinds  
Over seas  
Over mountains  
Over fields  
Follow the dark sign  
Follow the north sign  
Follow the wolf sign  
Follow the ravenheart  
Follow the dark winds  
Follow the black wings  
Follow the bloodline  
Follow the ravenheart
