

Kan Mikami, Lesson 8 Watch

Blessed
Happy
A perfect sunday
Someone trembling with fear

A newborn baby in a sunny park
An old couple walking side by side

A smiling face
Rebuffs
Each and every word

That in itself
That alone
A tragedy to freeze the blood

Did you see the TV screen?
Did you see this mornings' paper?

Gorgeous
Free from care
A night when everyone is your friend
Someone trembling with fear

A table overflowing with fruit
Having friends you can hug

Alcohol rebuffs intuition
Trying to cling on to an inadequate love

That in itself
That alone
A tragedy to freeze the blood

Did you see the TV screen?
Did you see this mornings' paper?
