

# Kandi, Cheatin On Me

[verse 1]

When I got home last night  
Something didn't seem right  
I think I know what's goin on  
There's been another ho in my home

[b-section]

Cigarettes in the trash  
And he doesn't even smoke  
Two glasses in the sink  
The Dom is still cold  
Trojans come in three  
But one is gone

Hell no

Said I know what's goin on

[hook]

My man's has been cheatin on me  
My momma told me there'd be days like this  
My man's been cheatin on me

[repeat hook]

[verse 2]

How could he do this to me  
Turn around and smile in my face  
While he was out somebody else  
Puttin her in my place

[b-section]

[hook]

[bridge]

What am I supposed to do  
When I put my trust in you  
What am I supposed to say  
When you gave my love away  
I gave you all my love  
Repaid with your lies  
Not checkin for your games  
Don't wanna hear no alibis  
Now I'm out the door  
Cause I just can't take it no more

[breakdown]

Cheatin on Cheatin on  
Cheatin on Cheatin me  
Creepin on Creepin on  
Creepin on Creepin on me
