

Kano, Queen Of Witches

Sometimes I see your claws that look like fingers
Just like a shadow standing behind.

Sometimes I can see visions like a dreamer
Set all my feelings far.

You live for fame
you never care about me
Tust like a shadow standing behind.

You live for fame
you're living for the people
Set all my feeling far.

Hold me
hold me tight
I feel so lonely.

Hold me
hold me tight
you'll be a dove
fly away.

Hold me
hold me tight
it's time to stay now

Another chance
one more.

Queen of witches
cry

You and your chaines that won't let go.
Oh

passion-fruit
sweet love
but your pink poison kills my life.

Queen of witches
cry

Say you with your lies that won't let go.
Master of the game

give me a smile to hide the pain.

Sometimes I see your claws that look like fingers

. . .
Hold me
hold me tight
I feel so lonely. . . .

Just give me one more.

Queen of witches
cry

. . .
Queen of witches
cry

Say you with your lies
That won't let go.

Master of the game
give me

A smile to hide the pain.

Queen of witches

You and your chaines
That won't let go.□

Oh

passion-fruit

Poison kills my life.□

Queen of witches

You and your chaines
That just won't let it go.

Oh

Sweet love
but your pink
Poison kills my life.
