

Kanye West, Addiction

[Intro: Etta James]

You make me smile with my heart, oh

[Chorus: Kanye West & Etta James]

Why everything that's supposed to be bad make me feel so good?

Everything they told me not to is exactly what I would

Man, I tried to stop, man, I tried the best I could

But you make me smile

[Verse 1: Kanye West & Etta James]

What's your addiction? Is it money? Is it girls? Is it weed?

I've been afflicted by not one, not two, but all three

She's got the same thing, about me, but more, about us

She's coming over, so I guess, that means, I'm her drugs

(You make me smile)

Just let me peek now, I mean, damn, I'm so curious

She's got a lover, so the lies, and the lust, is a rush

Time's of the essence, I need you to be spontaneous

Roll up the doja, Henny and Co-Co-Coca-Cola

(You make me smile with my heart, ohh)

Then I'm co-coming over 'cause it's ne-never over

[Chorus: Kanye West & Etta James]

Why everything that's supposed to be bad make me feel so good?

Everything they told me not to is exactly what I would

Man, I tried to stop, man, I tried the best I could

But you make me smile

[Verse 2: Kanye West & Etta James]

I see the emotion in your eyes, that you try not to show

We get the closest when you high, or you drunk, or you blown

So I pour the potion, so we could both get high, as we could go

Then I'll get the lotion, and do somethin' to me, when your thighs is exposed (You make me smile)

There's no turning back now, I mean I don't mean to impose

Not now but right now, I need you to undress, and then pose

I'm into that now, catch a vibe, when the doors, get closed

Roll up the doja, Henny and Co-Co-Coca Cola

(You make me smile with my heart)

And I keep co-coming over 'cause it's ne-never over

[Chorus: Kanye West, Strings & Etta James]

Why everything that's supposed to be bad make me feel so good?

Everything they told me not to is exactly what I would

Man, I tried to stop, man, I tried the best I could

But you make me smile

Why everything that's supposed to be bad make me feel so good?

Everything they told me not to is exactly what I would

Man, I tried to stop, man, I tried the best I could

But you make me smile

[Outro: Kanye West & Etta James]

I just wanted to ask you

Just wanted to um, let me, how would I put this, uhh

Let's say, all your friends, remember the one

You said, if you ever, she would be the one

Okay, okay, okay (You make me smile with my heart)

Well, I was thinking, hypothetically

I mean, don't take this seriously

Don't take me, I mean, just, uhh, not credibly

I'm feeling incredibly, I mean, let's let it be

I just let it be

I mean you, her and me (You make me smile with my heart)

I mean you, her and me

Maybe, baby, baby

You know I was just kidding

Unless you gon' do it (You make me smile)
