

Kanye West, Hey Mama (Mix)

Last night I saw you in my dreams
Now I can't wait to go to sleep
Last night I saw you in my dreams
Now I can't wait to go to sleep.
My mama mama mama.

I wanna scream so loud for you, cause Im so proud of you
And Let me tell you what Im about to do, Hey Mama
I know I act a fool but I promise you Im goin' back to school
And I appreciate what you allowed for me
And I just want you to be proud of me.
Hey Mama.

I was 3 years old, when you and I moved to the Chi
Late December, harsh winter gave me a cold
You fixed me up somethin' that was good for my soul
Famous homemade chicken soup, can I have another bowl?
You work late nights just to keep on the lights
Mommy got me training wheels so I could keep on my bike
And you would give anything in this world
Michael Jackson leather and a glove, but didnt give me a curl
And you never put no man over me
And I love you for that Mommy can't you see?
7 years old, I caught you with tears in your eyes
Cause somebody cheatin' tellin' you lies then I started to cry
As we knelt on the kitchen floor
I said Mommy I'm a love you so you dont hurt no more
And when Im older, you ain't gotta work no more
And I'm a get you that mansion that we couldnt afford
See your unbreakable unmistakable
Highly capable, baby thats makin' loot
A livin' legend too, look at what heaven do
Send us an angel, and I thank you.

Mama, I wanna scream so loud for you, cause Im so proud of you
And Let me tell you what Im about to do, Mama
You know I love you so and I never let you go
And I wrote this song just so you know no matter where you go my love is true.
Last night I saw you in my dreams.
Now I can't wait to go to sleep.
Last night I saw you in my dreams.
Now I can't wait to go to sleep.
Last night I saw you in my dreams.
Now I can't wait to go to sleep.
And this life is all a dream and my real life starts when I go to sleep.
My mama mama mama.
