

Kanye West, Me Against The Music Remix

All my people in the crowd
Grab a partner, take it down!

It's me against the music
It's just me
And me
Yeah
C'mon
Hoah
Hey Britney
Are you ready?
Uh huh
Are you?
Uh

And no one cares
Its whippin my hair, its pullin my waist
To hell with stares
The sweat is drippin all over my face
And no ones there
Im the only one dancin up in this place
Tonight Im here
Feel the beat of the drum, gotta get with that bass

Im up against the speaker, tryin to take on the music
Its like a competition, me against the beat
I wanna get in a zone, I wanna get in a zone (I wanna get in a zone)
If you really wanna battle, saddle up and get your rhythm
Tryin to hit it, chic-a-taa
In a minute Im a take a you on, Im a take a you on (I'm a take a you on)
Hey, hey, hey

[Chorus]
All my people on the floor
Let me see you dance
Let me see ya
All my people wantin more
Let me see you dance
I wanna see ya
All my people round and round
Let me see you dance
Let me see ya
All my people in the crowd
Let me see you dance
I wanna see ya

So how would you like a friendly competition?
Lets take on the song (Let's take on the song, let's take on the song)
Its you and me baby, were the music
Time to party all night long (All night long, all night long)

Hoah, huh, yeah, let's go!

Were almost there
Im feelin it bad and I cant explain
My soul is bare
My hips are movin at a rapid pace
Baby feel it burn
From the tip of my toes, runnin through my veins
And nows your turn
Let me see what you got, dont hesitate

Im up against the speaker, tryin to take on the music
Its like a competition, me against the beat

I wanna get in a zone, I wanna get in a zone (I wanna get in a zone)
If you really wanna battle, saddle up and get your rhythm
Tryin to hit it, chic-a-taa
In a minute Im a take a you on, Im a take a you on (I'm a take a you on)
Hey, hey, hey

[Repeat Chorus]

Get on the floor, baby lose control
Just work your body and let it go (Let it go)
If you wanna party, just grab somebody
Hey Britney
We can dance all night long

Hey Britney, you say you wanna lose control
Come over here I got somethin to show ya
Sexy lady, Id rather see you bare your soul
If you think youre so hot, better show me what you got
All my people in the crowd, let me see you dance
(Grab a partner, take it down!)
Cmon Britney lose control, watch you take it, take it down
(Grab a partner, take it down!)

Get on the floor, baby lose control
Just work your body and let it go
If you wanna party, just grab somebody
Hey Britney
We can dance all night long

[Repeat Chorus]

All my people in the crowd
Let me see you dance
(Grab a partner, take it down!)
Cmon Britney lose control
Watch you take it, take it down
(Grab a partner, take it down!)
