Twista:

Got you lookin at the gliss at my hands and wrists  
While i'm layin back and smokin on my canibus  
When it come to rockin the rhythm like Marvin and Luther  
I can tell you aint no messin with Ki-man and twist  
From the Chi and I be  
Sippin Hennessy  
Twistin almarie  
Tryina smoke a B  
Lookin properly  
Feelin I'm a G  
And all this (Well Well Well Well Well)  
Come with me and sip on some hella good champagne  
You aint know Twista can work it like the Whispers  
Hit the stop light, get into some Isaac  
The rims still moving so I'm pumpin little Spinners  
While I'm  
Smokin on a B  
Dippin through the streets  
Bumpin R&B  
And I got to leave  
rollin on 23'ss  
And I do it (well well well well well)  
When my Earth and the Wind smoke a Fire  
Let me when get your sheets wet listening to Keith Sweat  
Put you in a daze for maze  
Fulfillin our every sensation slow breathin having deep sex  
You Ready For The World girl  
Come on over make me touch you all over your body baby don't say no to me  
And every moment you controllin' me I'm lovin the way you be holding me when I be listening to Jo  
And when I come over and bend your ass  
You be bumpin Teddy Pendergrass  
I'ma hit it from the back to the melody to roll it slow  
Now I gotta go up in it fast, but imma finish last  
No matter how much of a thug you see  
I still spit it like it's R&B, so to the club with me  
And with some Luther come on and hope you finna and stilla be in love with me
