

# Kanye West, Ultralight Beam (Ft. Chance the Rapper)

[Intro: Samoria Green & Natalie Green]

(Yes, God)

We don't want no devils in the house, God (Yes, Lord)

We want the lord (Yes, Jesus)

And that's it (Yes, God)

Hallej— hand over Satan (Yes, Jesus)

Jesus praise the Lord (Yes, God)

Hallelujah, God (Yes, God)

We don't want no devils in the house, God (Yes, Lord)

We want the lord (Yes, Jesus)

And that's it (Yes, God)

Hallej— hand over Satan (Yes, Jesus)

Jesus praise the Lord (Yes, God)

[Chorus: Kanye West & The-Dream]

I'm tryna keep my faith

We on an ultralight beam

We on an ultralight beam

This is a God dream

This is a God dream

This is everything

This is everything

[Verse 1: Kanye West]

Deliver us serenity

Deliver us peace

Deliver us loving

We know we need it

You know we need it

You know we need it

That's why we need You now, oh

Pray for Paris

Pray for the parents

This is a God dream

This is a God dream

This is a God dream

[Chorus: Kanye West & Choir, Kanye West]

We on an ultralight beam

We on an ultralight beam

This is a God dream

This is a God dream

This is everything

Everything (Thing, thing, thing)

[Post-Chorus: The-Dream with Choir]

I'm tryna keep my faith

But I'm looking for more

Somewhere I can feel safe

And end my holy war

I'm tryna keep my faith

[Verse 2: Kelly Price & Choir]

So why send oppression, not blessings?

Why, oh, why'd You do me wrong? (More)

You persecute the weak

Because it makes You feel so strong (Safe)

Don't have much strength to fight

So I look to the light (War)

To make these wrongs turn right

Head up high, I look to the light

Hey, 'cause I know that You'll make everything alright

And I know that You'll take good care of Your child

Oh, no longer am afraid of the night

'Cause I, I look to the light

[Bridge: Chance the Rapper]

When they come for You, I will shield Your name  
I will field their questions, I will feel Your pain  
No one can judge  
They don't, they don't know  
They don't know

[Verse 3: Chance the Rapper]

Foot on the Devil's neck 'til it drifted, Pangaea  
I'm moving all my family from Chatham to Zambia  
Treat the demons just like Pam  
I mean, I fuck with your friends, but damn, Gina  
I been this way since Arthur was anteater  
Now they wanna hit me with the woo wap, the bam  
Tryna snap photos of familia  
My daughter look just like Sia, you can't see her  
You can feel the lyrics, the spirit coming in braille  
Tubman of the underground, come and follow the trail  
I made "Sunday Candy," I'm never going to hell  
I met Kanye West, I'm never going to fail  
He said, "Let's do a good ass job with 'Chance 3'"  
I hear you gotta sell it to snatch the Grammy  
Let's make it so free and the bars so hard  
That there ain't one gosh darn part you can't tweet  
This is my part, nobody else speak  
This is my part, nobody else speak  
This little light of mine  
Glory be to God, yeah  
I'ma make sure that they go where they can't go  
If they don't wanna ride, I'ma still give 'em raincoats  
Know what God said when He made the first rainbow  
Just throw this at the end if I'm too late for the intro  
Ugh, I'm just having fun with it  
You know that a nigga was lost  
I laugh in my head  
'Cause I bet that my ex looking back like a pillar of salt  
Ugh, 'cause they'll flip the script on your ass like Wesley and Spike  
You cannot mess with the light  
Look at lil' Chano from 79th  
[Chorus: Kanye West & Choir, Kanye West]  
We on an ultralight beam  
We on an ultralight beam  
This is a God dream  
This is a God dream  
This is everything  
Everything

[Post-Chorus: The-Dream, The-Dream & Choir, Natalie Greene]

(Yes, God)  
(Hallelujah)  
I'm tryna keep my faith  
(Yes, Jesus)  
But I'm looking for more  
Somewhere I can feel safe  
And end my holy war

[Outro: Kirk Franklin & Choir]

Father, this prayer is for everyone that feels they're not good enough  
This prayer's for everybody that feel that they're too messed up  
For everyone that feels they've said "I'm sorry" too many times  
You can never go too far when you can't come back home again  
That's why I need...  
Faith, more, safe, war
