

# Karate High School, Burning Up For You

They say that the devil is in the details  
Silly me, I didn't even read the fine print  
I made a deal to save you and I signed it with my blood  
I traded everything for a life of Hellfire, because I traded in my soul  
You were everything that I wanted to be, and you just didn't deserve to go  
One little secret that will never be free: you'll never ever ever know I'm burning up for you  
I feel like I got the short end of this deal  
Pretty soon you'll find me in the pit of the inferno  
You took a pitchfork and with precision, you aimed it at my heart  
I traded everything for a life of Hellfire, because I traded in my soul  
I'm burning up. I'm burning up  
I'm burning up for you
