

# Karate High School, Dear You, It's Me

Dear you it's me,  
Are you listening?  
Will you ever hear these words?  
I think about your life,  
Do you have a family?  
Do you ever think about me?  
I'm looking for you,  
But are you looking for me too?  
When we're both at fault,  
And wrinkled with age;  
Will our faces look the same?  
Although you never call,  
I'd forgive it all..  
Just to hear you say my name.  
I'm waiting for you,  
But are you waiting for me too?  
Take these hands,  
See how they've grown.  
But I start to drown,  
I'm on my own;  
And I need you to carry me.  
But I just don't know,  
If you'll remember me.  
I'm still waiting for you,  
Are you waiting for me too?  
Take these hands,  
See how they've grown.  
But I start to drown,  
I'm on my own;  
And I need you to carry me.  
But I just don't know.  
If you'll remember me.  
I'm still looking for you,  
Are you looking for me too?  
Take these hands,  
See how they've grown.  
But I start to drown,  
I'm on my own;  
And I need you to carry me.  
But I just don't know.  
If you'll remember me.  
I need you to carry me,  
I just don't know;  
If you'll remember me.
