

# Karate High School, Sometimes When You Lose,

I'll hand it to you  
You've won again  
But i don't care what you say  
None of that was fair play  
I've been drawn into your  
Battle and when you think i surrender,  
I'll just get right back up  
Because i haven't had enough  
You knocked our faces to the floor  
But this is what we lived for  
I know you want us to quit but,  
We'll never give up  
Watch out  
Beware  
We took a beating and we don't care  
Sometimes when you lose you win  
You have your foot on  
My throat again  
But i'm not as helpless  
As you seem to be  
Convinced  
In the end  
When you look back  
And all you have is your trophies  
I really hope you believe  
Your life was worth  
Victory  
You knocked our faces to the floor  
But this is what we lived for  
I know you want us to quit but,  
We'll never give up  
Watch out  
Beware  
We took a beating and we don't care  
Sometimes when you lose you win  
Sometimes when you lose you win  
We'll never give up  
We'll never give up  
Noooo  
I'll hand it to you  
You've won again  
But i don't care what you say  
None of that was fair play  
You knocked our faces to the floor  
But this is what we lived for  
I know you want us to quit but,  
We'll never give up  
Watch out  
Beware  
We took a beating and we don't care  
Sometimes when you lose you win [x2]  
We'll never give up  
Nooo
