

kard, Without You

Oh-oh-oh

You're all I see amid this crowded place

□□ □ □□□ when you're in my space

□□□□ you're my high tide

Need you here with me on my side

□ □□□ □□ □ afraid I

I just want you back

When it rains

I'm in pain

□□□ □□□ □□ □□□ never let go

No, I don't want nobody else

□□ □ □□ □□□

You know that I

Can't live without you

Don't make me fall through

Can't live without

□□□ □□ □□ □ □□

□□ □□ □□□

For me, me, me

Make you see me

Can't live, without live, without you

You don't believe me

□ □□ □□

□ □□□□ □□□ □□□□

'Cause you like it when I go down, down, down

I make your body go wild, wild, wild

□□□ □□□

All I need is you

Uh, your edge of desire

□ □□□ □□□ □ □□□

□□□□ trivial thoughts and

Cut the fuse □□ □□ □□ □ view

So I'll keep it your □□

Thirsty for oasis

□□ '□ four seasons

Epic □ □□ without you, no □ □□

Can't live without you

Don't make me fall through

Can't live without

□□□ □□ □□ □ □□

□□ □□ □□□

For me, me, me

Make you see me

Can't live, without live, without you

I know you want it babe, babe

Can't live, without live, without you

□□ □ □□

□□ □□□

You know I can't live without

You, I can't live without

Rid you of any doubt

Truth can hurt deeply

And lies heal the pain

□□ □ □□ □ □□□ □□

No less than real with you is how I'll remain

□□□ □ escape, dance with you through rain

□□□ □□ baby, I'll guard and protect

The key to your heart'll safely kept
With loving you right as my only intent

□□ □□□ □ □ □□ □□□□

Ah, ain't nobody do my body like you
Since our day one
I'm by your side

□ □□ □

□ □□ □

I can't live without

Can't live without you
Don't make me fall through (Oh, yeah)
Can't live without

□□□ □□ □□ □ □□

□□ □□ □□□ (Ooh-ooh-ooh)

For me, me, me

Make you see me

Can't live, without live, without you

I know you want it babe, babe
Can't live, without live, without you

□□ □ □□

□□ □□□

You know I can't live without
