

Karen Carpenter, Little Altar Boy

Little Altar Boy

I wonder could you pray for me

Little altar boy

for I have gone astray

what must I do to be holy like you

little altAr boy

please let me hear you pray

Lift up your voice and send a prayer above

help me rejoice and fill that prayer with love

now I know my life has been all wrong

little altar boy

please help a sinner be strong

little altar boy

I wonder could you tell Our Lord

tell Him altar boy I'm gonna change my ways today

what must I do to be holy like you

little altar boy

please let me hear you pray

little altar boy

please let me hear you pray
