

Karen Clark Sheard, Favor

[Verse:]

Favor, I give you favor,
you will never want for anything.

Favor, I give you favor,
you will never want for anything.

When you pray, I will answer,
ask for rain and watch it fall;
this is the hour I'm pouring out
My favor (favor), My favor (favor).

[Chorus:]

Favor, I give you favor,
you will never want for anything.

Favor, I give you favor,
you will never want for anything.

When you pray, I will answer,
ask for rain and watch it fall.

This is the hour I'm pouring out,
this is the hour I'm pouring out,
this is the hour I'm pouring out
My favor, favor,
My favor, favor.

[Vamp 1:]

Stand still and receive My favor.
Let it rain, let it rain, rain.

[Vamp 2:]

Let it rain, let it rain.
Let it rain, let it rain.

[Ending:]

(This is the hour I'm pouring out),
(this is the hour I'm pouring out),
(this is the hour I'm pouring out My favor).
