

Karen Clark-Sheard, Go Ahead

Stop thinking the worst, be more of a winner
If you wanna set your mind to it, then believe God for it
Stop thinking you lost, when the game ain't even started
you'll never get it if you can't see it, before you have to receive it

Now dance if you believe it, lets dance before you get it
go getters will reap and sow better, don't talk but be about it

(chorus)

Go ahead, go ahead, go ahead, don't think about it
go ahead, go ahead, go ahead, don't worry bout a thing
go ahead,(go ahead) go ahead,(go ahead) go ahead,(ohoh) have faith in him and
go ahead,(go ahead) go ahead,(go ahead) go ahead,(ohoh) go get whats yours

Stop thinking you can't, be more of a soldier
believe your more than conquerors,to him that loved us
stop looking to man, he's limited in understanding
he might have the same problems, and he may need the same answers

Now dance if you believe it, lets dance before you get it
go getters will reap and sow better, don't talk but be about it

Chorus 1x

You been thinkin bout some extra dollars, all you gotta do is scream and holler like you got it
Its on its way, go on and get your dance on
You been thinkin bout some peace and favor, all you gotta do is keep the faith and you'll get it
yeah yeah keep the faith

(Missy Elliot)

hold up stop, now wait a minute, ain't no stoppin til' Missy finish, turn my mike up so the whole church
now hop, slide, step to the right you tried
now hop, slide, praise him all night we ain't tired
go ahead

Chorus 3x
