

# Karen Clark Sheard, Go Ahead

[Verse 1:]

Stop thinking the worst,  
be more of a winner,  
if you wanna set your mind to it,  
then believe God for it.

Stop thinking you lost,  
when the game ain't even started  
you'll never get it if you can't see it,  
before you ever receive it

(Now dance if you believe it),  
(let's dance before you get it),  
go-getters will reap and sow it better,  
don't talk but be about it.

[Chorus:]

Go ahead, go ahead, go ahead,  
don't think about it.

Go ahead, go ahead, go ahead,  
don't worry 'bout a thing.

Go ahead, go ahead, go ahead  
have faith in Him.

Go ahead, go ahead, go ahead,  
go get what's yours.

[Verse 2:]

Stop thinking you can't,  
be more of a soldier,  
believe you're more than conquerors  
in Him that loved us.

Stop looking to man,  
he's limited in understanding,  
he might have the same problems  
and he may need the same answers.

(Now dance if you believe it),  
(let's dance before you get it),  
go-getters will reap and sow it better,  
don't talk but be about it.

[Chorus]

[Bridge:]

You've been thinkin' 'bout some extra dollars,  
all you gotta do is scream and holler like you got it;  
(its on its way, go on and get your dance on).

You've been thinkin' 'bout some peace and favor,  
all you gotta do is keep the faith and you'll get it,  
(yeah, yeah, keep the faith).

[Rap:]

Hold up, stop, now wait a minute,  
ain't no stoppin' 'til Missy finish.  
Turn my mike up so the whole church can hear it,  
ain't no talkin' 'bout it, we 'bout to be about it.

Let's work it, we gon' work it,  
we gon' praise dance all up in the churches.

Now we gon' rock the service,  
all night 'til the pastor do a sermon.

Now hop, slide,  
step to the right, you try it.

Now hop, slide,  
praise Him all night, we ain't tired.

[Chorus]
