

Karen Clark Sheard, I've Been Changed

Any other day
I wouldn't have dealt with this situation this way
There were a lot of things I wanted to say
But when I thought about what would have happened
If I let you get the best of me
No way
Now I can truly say

[Chorus:]
I was a bird on the ground
Using my legs to get around
I was a piano out of tune
But I've been turned around
Tell you how I know
Places I used to go
I don't even go no more
Cause I can fly now
And the song I play lets me know
I've been changed

Never mind what you heard
I'm not the same somewhere, somehow, some way
I reversed the way I do things
I know it ain't worth all the
Tug of war with you
To prove I'm stronger
I no longer
Stay to play and lose
Now I'm proud to say it's true

[Chorus]

[Bridge]
Make no mistake about it
Anyone could change
But it takes a strong mind to say
That doing the right thing is ok
And now that I've decided
To give up these ways
There's no turning back now
Now that I found out
I can overcome all these things

[Chorus x2]
