

# Karen Clark Sheard, Just For Me

[Verse 1:]

I found in You a special gift, a treasure chest for me.  
It's beauty I just can't resist and only I can see.  
Never would have thought You could open up to me,  
You showed me all inside and said to me believe.

[Chorus 1:]

Just for me (just for me),  
You came down because You loved me.  
Just for me (just for me),  
never knew someone to care so much me,  
(never could've dreamed about it),  
(never wanna to live without it),  
(never could I doubt about it),  
(just for me).

[Verse 2:]

I found in You a secret place created just for me,  
when I am there the pain's erased, my shackled heart is free.  
Never would have thought that I would have found a love so true,  
You were the one, the only one, my heart belongs to You.

[Chorus 2:]

Just for me (just for me),  
You came down because You loved me.  
Just for me (just for me),  
never knew someone to care so much me,  
(I never knew someone could care for me);  
just for me now I'm praying,  
(and I adore You, living just for You)
