

# Karen O, I Shall Rise

As I walk the desert sands  
Through the flames of burning lands  
My feet are torn they're torn to strands  
I will not thirst

As I cross the raging  
seas  
waves are crashing over me  
They drag me down they drag me down  
I will not drown

They'll know my name  
After the storms are passing through  
They'll know my name  
When they've forgotten all about you  
They'll know my name  
After the storms are passing through  
They'll know my name  
Babe they've forgotten all about you

They're calling out they're calling out my name /2x

And I shall rise oh well rise again and again  
I shall rise oh well rise again and again
