

Karen O, Rapt

Bright as a star be the light
Strobing down on me,
Suddenly I was free,
Let me go on these
Show I can cough I can choke
On this kind of smoke
Off went the switch
Love is soft,
Love's a fucking bitch
Do I really need
Another habit like you
I really need
Do you need me too
I believe it's gonna leave me blue
Bright as a star be the light
Strobing down on me
Suddenly I was free
Let me go on these
Show I can cough I can choke
On this kind of smoke
On went the switch
Love is soft
Love's a fucking bitch
Do I really need
Another habit like you?
I really need,
Do you need me too?
I believe
It's gonna feel like new
