

# Karla Bonoff, I Can't Hold On

Oh baby, this time it's goodbye  
And you can be sure that I won't cry  
Our love is just a faded story  
I'm walking down the road  
And you just got to let me go

'Cause I can't hold on  
I can't hold on  
I can't hold on anymore

Well, what was that sweet lullabye  
And were all those promises just lies  
Well, I was just a fool to love you  
I knew it all along  
I can't look down, I know I'm falling

'Cause I can't hold on  
I can't hold on  
I can't hold on anymore

When you act the way that you do  
I want to scream and shout  
You keep on playing games  
I walk around the block  
And I think maybe you'll change  
But just when it seems we've got it all worked out  
You start naming names  
I don't believe that I was the one to blame

Any maybe next time you'll cry  
When someone like me says goodbye  
You'll wake up when she's gone and wonder  
How you could let her go  
But look at me, I'm going under

'Cause I can't hold on  
I can't hold on  
I can't hold on anymore  
No  
I can't hold on  
I can't hold on  
I can't hold on anymore
