

Karmadelics, Check It Out

Can't hold me down
Here I am, here I am
There ain't no doubt
No doubt, no, no, no
Come check it out
See what I'm all about
See what I'm all about yeah
See what I'm all about

Here I am, here I am
There ain't no doubt
No doubt, no, no, no
Come check it out
See what I'm all about
See what I'm all about yeah
See what I'm all about

Can you tell me about
All the things you've done
Try to put me down
But I'm the stronger one
You considered me your property
I'm no one's pawn
And now I'm free

Come check it out
See what I'm all about
See what I'm all about yeah
Here I am, here I am
There ain't no doubt
No doubt, no, no, no
Come check it out
See what I'm all about
See what I'm all about yeah
See what I'm all about
Here I am, here I am
There ain't no doubt
No doubt no, no, no
No doubt no, no, no
No doubt no, no, no
No doubt no, no, no

Took a little time
Time to clear my mind
Now I'm so alive
My soul is energized
I won't forget what you did
You really meant what you did
There ain't no stoppin me now

Come check it out
Come check it out
See what I'm all about
See what I'm all about yeah
Here I am, here I am
There ain't no doubt
No doubt no, no, no

Come check it out
Come check it out
See what I'm all about
See what I'm all about yeah
Here I am, here I am
There ain't no doubt

No doubt no, no, no
