

Karmic Passage, Anti-Depressant

What am I,
to say what
I can be?
Who am I
to control
my life?

You control me,
while you
console me,
and I
cannot live
again...

Paranoid
about happenings
in my head,
listening to
voices,
(listening to you...)

(Chorus)
Looking
at me,
Watching

my every move
Waiting
til I
make-my-
mistakes...

Who are you,
to live
my life for me,
Something
I could be
was never real.

(Bridge)
Why am I
lettin you do this
makin me watch this
(You... You....)

(Inst.)

(Chorus 2x)
