

Kasabian, Thick as Thieves

There we were
Thick as Thieves
Frightened by shadows
And the autumn leaves
We wore stolen hearts
Fitted souls
Aided by lies
Amongst the media foes
And..
Hey ho where did it go?
When did we lose our sight?
And it's a nice show
The ones we perform
Performing it day and night
Night...
See the lights
Upon my face
Walking in circles
With human race
And all the little people
They want to be free
But I can't get there
'Coz I've got you holding me back
And...
Hey ho where did it go?
When did we lose our sight?
And it's a nice show
The ones we perform
Performing it day and night
Night...
We be free
Lalalalala
Lalalalala
Lalalalala
Lalala
Lalalalala
Lalalalala
Lalalalala
Lalala
I gave all the high skies
But you gave me mine
I gave all the high skies
But you gave me mine
Yeah
Let the light sing again
There we were
Thick as Thieves
Frightened by shadows
And the autumn leaves
Goodbye my sweet
Goodbye...
Goodbye
