

Kasabian, Where Did All The Love Go

Never took a punch in the ribcage sonny
Never met a soul who had no shrine
Keep this all in your mind
And get it inside my window
What do we become trying to kill each other?
You're faking it son gonna get you tonight
I suck another breath
To the hearts of the Revolution
Cause you still ain't right
Where did all the love go?
I don't know, I don't know
(I bet you can't see it)
Where did all the love go?
I don't know, I don't know
(I bet you can't see it)
Can't see the signs of a real change a commin'
Take another sip from your hobo's wine
Get yourself a million miles
From the concrete jungle
This is a time
Full of fear full of anger
A heroe's exchange for a telephone line
Whatever happened to the youth of this generation?
But you still ain't right
Where did all the love go?
I don't know, I don't know
(I bet you can't see it)
Where did all the love go?
Now I don't know why
Oh why
The rivers of the pavement
Are flowing now with blood
The children of the future
Are drowning in the flood
Where did all the love go?
Now I don't know why
Oh why
In this social chaos
There's violence in the air
Gotta keep your wits about you
Be careful not to stare
Where did all the love go?
I don't know, I don't know
(I bet you can't see it)
Where did all the love go?
Now I don't know why
Oh why
(I bet you can't see it)
