

Kasia Kowalska, My one and only love

The very thought of you
Makes my heart sing
Like an April breeze
On the wings of spring
And you appear in all your splendor
My one and only love
The shadows fall and spread their
Mystique charms
In the hush of night while held in my arms
I feel your lips so warm and tender
My one and only love
The touch of your hand is like heaven
A heaven that I've never known
The blush on your cheek
Whenever I speak
Tells me that you're own my own
You fill my eager heart with
Such desire
Every kiss you give
Sets my soul on fire
I give myself in sweet surrender
My one and only love
The touch of your hand is like heaven
A heaven that I've never known
The blush on your cheek
Whenever I speak
Tells me that you're own my own.
You fill my eager heart with
Such desire
Every kiss you give
Sets my soul on fire
I give myself in sweet surrender
My one and only love
