

# Kasia Lins, These days

These days are gone  
These days are gone  
These days are gone  
Were passed  
These days are gone  
These days are gone  
These days are gone  
Were beautiful but

I never asked for your love  
Just came to me  
S..  
We call the places we've been  
I won't tell you...  
I want you instead everyone now

I never asked you of ALL THIS THING  
You gave me way to ..  
Came to me  
You tryied to be alright  
Try to ..  
On my ski I still have your fingerprints  
your fingerprints

These days are gone  
These days are gone  
These days are gone  
Were beautiful but  
These days are blast!
