

# Kasia Moś, Experience (feat. Essex) & AUKSO

Mistakes  
Intolerance  
Ignorance  
Disinterest  
Alcohol  
Denial

I never thought that I would be like that  
Promises should make our life worthwhile  
everybody need someone to rely on  
I am so sorry, that I couldn't be that one

Mistakes  
Intolerance  
Ignorance  
Disinterest  
Alcohol  
Denial

family  
knowledge  
Courage  
Freedom  
Affection  
Fulfilment

I never thought that life across the path  
If I could turn my life around  
you are ashamed to look into my eyes  
I am in my testament of my wounds
