

# Kasia Nowak, Crush

Ahh, crush, ahhh  
I see ya blowin' me a kiss  
It doesn't take a scientist  
To understand what's going on baby  
If you see something in my eye  
Let's not over analyze  
Don't go too deep with it baby  
So let it be what it'll be  
Don't make a fuss and get crazy over you and me  
Here's what I'll do  
I'll play loose  
Run like we have a day with destiny  
It's just a little crush (crush)  
Not like I faint every time we touch  
It's just some little thing (crush)  
Not like everything I do depends on you  
Sha-la-la-la, Sha-la-la-la  
It's raising my adrenaline  
You're banging on a heart of tin  
Please don't make too much of it baby  
You say the word "forevermore"  
That's not what I'm looking for  
All I can commit to is "maybe"  
So let it be what it'll be  
Don't make a fuss and get crazy over you and me  
Here's what I'll do  
I'll pay loose  
Run like we have a day with destiny  
It's just a little crush (crush)  
Not like I faint every time we touch  
It's just some little thing (crush)  
Not like everything I do depends on you  
Sha-la-la-la, Sha-la-la-la  
Vanilla skies (vanilla skies)  
White picket fences in your eyes  
A vision of you and me  
It's just a little crush (crush)  
Not like I faint every time we touch  
It's just some little thing (crush)  
Not like everything I do depends on you  
Sha-la-la-la  
Not like I faint every time we touch  
It's just some little thing  
Not like everything I do depends on you  
Sha-la-la-la  
Not like I faint every time we touch  
It's just some little thing  
Not like everything I do
