

Kasia Stankiewicz, Soul

Hey, wake up
When the light's on
He will ..
For every day
Hello
You want to know how to not let go
Want to see
You wouldn't just believe in love
So why you give up
why you give up
why you give up my friend
I want you to know
I feel your seething soul

All this hard days gone
Things standing rights
All emptiness gone
I feel so inspired
I feel you can make it
Stick back of your heart
And feel this is something
It's better to try
/2x

I've been so long alone
Like we were still together we can do things better and strong
I've been so long alone
I wish you give it up
I've been so long alone
Like we were still together we do things so easily
I've been so long alone
I wish you give it up
I feel your seething soul
I've been so long alone
I wish you give it up
I've been so long alone
I wish you give

No here's the thing to sing
I think you never want to know
Always find the friends
Why you missing their show
What ever ...
You want to stop pretending
Coz you didn't win the ...
