

Kaskade, Angel on my shoulder.

Its time you see
The love you give
Is killing me
And I wanna live
This isn't right
You search your soul for life
So I'm turning left
I told myself
I could be as bad as someone else
But I find it hard
When angel's on the right
Chorus:
But you held my hand
And took me right back down to hell
I have an angel on my shoulder but a devil in my head (X 2)
Won't you go
No means no
Your dirty life
Is like a one man show
Your a night attack
You turn the light to black
So I'm turning left,
I told myself
I could be as bad as someone else,
But I find it hard
When angel's on the right
Chorus:
But you held my hand
And took me right back down to hell
I have an angel on my shoulder but a devil in my head (X 2)
Talk to me
Walk with me
Come with me
Beautiful lady
Beautiful lady
Will you come and save me
Come to me
Come back here
Walk with me
Come back here
Chorus x 2
.
