

# Kaskade, Everything

I&#039;m finding the more I see the more I can see  
Now I&#039;m not hiding anymore

Come on baby  
Let me know how you feel  
Come on take me  
I can see this is real

Ever since your love filled my life  
I see it&#039;s changing everything  
Don&#039;t you know the way you move me  
It&#039;s so right, it&#039;s better than anything  
You are the star in the night  
Shining for me baby  
Love is so right  
Come on I&#039;m feeling everything.

You know me in a way like no one ever before  
You hold me forever
