

# Kaskade, One heart

both of us understand  
at least when we want to  
knowing what makes us happy is sometimes the hardest thing to lose  
shallow as we may be as deep as we want to  
as simple is better rough so leave some time for me and you  
this love is brighter  
this life is higher  
one heart is wider  
one heart  
x2  
one heart  
love is not a trend  
its when we want  
called it old fashioned call it fake  
but its the way that we get through  
this love is brighter  
this life is higher  
one heart is wider  
one heart  
x3  
one heart  
one heart
