

# Kaskade, Sorry

Moving fast or standing still  
The distance seems so much to fill

I wanna say Im sorry  
My love, I was wrong  
I wanna say Im sorry  
My love, Ill be strong  
I wanna say Im sorry  
My love, take my hand  
I wanna say Im sorry  
Dont worry, understand

But in my mind your image I see  
I keep it close  
Always reminding me
