

Kat, Mind Cannibals

Madness spins around me
The race of bloody money
I've gotta make it
You've gotta take it
And buy some pleasure
From devils
Living in
Dogmas' time
With the media
Playing gods
Fakes and lies
Dominate
Crime on children
No one cares
Human aliens
Sell the world
Buying minds
Piece by piece - for cash
Suck out brains
Mind cannibals
Living in
The house of gods
Where heretics
Celebrate
Human aliens
Sell the world
Buying minds
Piece by piece - for cash
Suck out brains
Mind cannibals
We are living
In the world of hypocrisy
So don't be blind, raise up against
Sings of the snake on the heaven's gate
Like omens of the judgement day
Media's eye runs in mortal haste
Afraid of the dying planet's carnage of the vengeance
Human beasts
Sell the world
Buying minds
Piece by piece - for cash
Suck out brains
Stealing souls
Mind cannibals
