Kataklysm, Imminent Downfall

Imminent downfall! Lost through these nostalgic Eyes I bury the seed of life And the pain I see, We've modified the way of Though, and understanding Nothing can't change What we've done Different world's collide They collide!! Who will die Who will cry Who will lie Imminent downfall Who will lie Who will cry Who will die Imminent downfall Betrayed by the system we created Survival of the fittest Among the sickest! No mercy for the weak No chance for repent They live and let the Innocent die...
