

# Katasamaw, Out Of My Head

INTRO:

(Child's voice)

she loves me, she loves me not,  
she loves me, she loves me not(echoes)

I can't get you out of my head  
You're always on my mind  
The only reason I smile  
The only one who brings me joy

With out you the sorrow consumes me  
The anger surrounds me  
The darkness burns my empty soul  
But when I see you

You're eyes burn right through me  
The darkness around me is broken  
My whole world is perfect,  
Until you leave

I can't get you out of my head  
You're always on my mind  
The only reason I smile  
The only one who brings me joy  
I am always with you  
Even when you don't see me  
Silently begging for your attention  
But I never get it

I know you don't love me  
get the out of my head!  
You don't even know me  
get out of my head!!  
I know you're not mine  
get the out of my head!!!  
You must love to torture  
Because you won't get out of my HEAD!!!
