

# Kate Alexa, Feel It Too

I dont know why you like to make me cry.  
You dont know how I feel when she comes into sight.  
She likes to talk to you, she wants more from you.  
Dont pretend you dont have a clue what shes trying to do..  
I wanna run over you so you feel it too,  
I wanna jump up and down,  
I wanna scream and shout,  
I am bouncing loose,  
I'm gonna turn it round oh yeah  
So you can feel it too  
So you like to play, I'm so in the game. You cant lie to my face.  
Dont need reasons why, shes still in your life.  
I see you let up when she calls every night.  
I wanna run over you so you feel it too,  
I wanna jump up and down,  
I wanna scream and shout,  
I am bouncing loose,  
I'm gonna turn it round oh yeah  
So you can feel it too..  
So you can feel it too..  
I know why..  
I wanna run over you so you feel it too,  
I wanna jump up and down,  
I wanna scream and shout,  
I am bouncing loose,  
I'm gonna turn it round oh yeah  
So you can feel it too..  
I'm gonna turn it round oh yeah..  
So you can feel it too..
