

Kate Ceberano, I Won't Let You Down

I'm happy here - no doubt about it.
You asked me if my love is clear -
Want me to shout it.
Gave you the best years of my life
as your woman I know i failed to
treat you right as your woman

Don't let me out of here
Don't let me out of here

I won't let you down
Won't let you down again

You say your love is running one way -
Coming from your side
No help from me to see you through -
To beat the high tide
Take me and chain me if you please -
Only love me
Don't help me take me
for my grief - Hold me
