

Kate Nash, Birds

She was waiting at the station
He was getting off the train
He didn't have a ticket so he had to bum through the barriers again

Well, the ticket inspector saw him rushing through
He said "girl, you don't know how much I missed you but we better run
'Cos I haven't got the funds to pay this fine"
She said, "fine";

So they ran out of the station and jumped on to a bus with two of yesterday's travel cards and two
Then he said, "you look well nice";

Well, she was wearing a skirt and he thought she looked nice and yeah she didn't really care about

But he was looking at her all funny in the eye
She said, "c'mon boy, tell me what your thinking now, don't be shy"
He said, "alright, I'll try";

All the stars in the sky and the leaves in the trees
All broken bits that make you trip up and grassy bits in between
All the matter in the world, is how much that I like you

She said, "what?";
He said, "let me try and explain again";

Right, birds can fly so high
Or they can shit on your head
They can almost fly into your eye
And make you feel so scared
But when you look at them and you see that they're beautiful
That's how I feel about you

Right, birds can fly so high
Or they can shit on your head
They can almost fly into your eye
And make you feel well scared
But when you look at them and you see that they're beautiful
That's how I feel about you
Yeah, that's how I feel about you

She said, "what?";
He said, "you";
She said, "what are you talking about?";
He said, "you";

Right, birds can fly so high
Or they can shit on your head
Yeah, they can almost fly into your eye
And make you feel so scared
But when you look at them and you see that they're beautiful
That's how I feel about you

Right, birds can fly so high
Or they can shit on your head
They can almost fly into your eye
And make you feel well scared
But when you look at them and you see that they're beautiful
That's how I feel about you
Right, that's how I feel about you

She said, "thanks, I like you too";
He said, "cool";
