

Kate Nash, Foundations (Full Explicit Version)

Thursday night,
everythings fine,
Except you've got that look in your eye,
when I'm telling a story
and you find it boring, your thinking of something to say.
You'll go along with it then drop it
And humiliate me, in front of our friends.

Then I'll use that voice what you find annoyin'
And say something like
"intelligent input darlin' why don't you just have another beer then?"

Then you call me a BITCH
and everyone we're with will be embarrassed,
and I won't give a SHIT.

My fingertips are holding onto the
cracks in our foundation,
and I know that I should let go,
but I can't.
And everytime we fight I know it's not right,
everytime that your upset and I smile
I know I should forget, but I can't.

You said "I must eat so many lemons,
'cause I am so bitter."
I said "I'd rather be with your friends, mate,
cause they are much fitter"

Yes it was childish
and you got aggressive
and I must admitt that I was a bit scared,
but it gives me thrills to wind you up.

My fingertips are holding onto the
Cracks in our foundation,
and I know that I should let go,
but i can't.

And everytime we fight,
i know its not right,
every time that your upset and I smile,
I know I should forget,
but I can't.

Your face is pasty,
'Cause you've gone and got so wasted,
what a surprise,
don't want to look at your face,
'cause it's making me sick.

You've gone and got sick on my trainers,
I only got these Yesterday.
Oh my gosh, I cannot be bothered with this.

Well I'll leave you there till the mornin',
and I perpously wont turn the heating on
and dear God, I hope I'm not stuck with this one.

My fingertips are holding onto the
Cracks in our foundation,
and I know that I should let go,
but I can't.
And everytime we fight,

I know its not right,
every time that your upset and I smile,
I know I should forget,
but I can't.

And every time we fight I know it's not right,
every time that you're upset and I smile.
I know I should forget, but I can't.
