

Kate Nash, I Hate Seagulls

I hate seagulls and I hate being sick
I hate burning my finger on the toaster and I hate nits
I hate fallin over
I hate grazing my knee
I hate pickin off the scab a little bit too early
I hate getting toothache
I hate when it's a pisstake
I hate all the mistakes I make
I hate rude ignorant bastards and I hate snobbery
I hate anyone who if I was serving chips wouldn't talk to me
But I have a friend
With whom I like to spend
Anytime I can find with
I like sleepin in your bed
I like knowin what is goin on inside your head
I like takin time and I like your mind and I like when your hand is in mine
I like getting drunk on the tunes by the beach
I like pickin strawberries
I like cream teas and I like reading ghost stories
My heart skips a beat every time that we meet
It's been a while and now your smile is almost like a memory
But now you're back and I am fine cos you're with me
And I'm in lovewith you
And I cant find the words to make it sound unique but
Honestly you make me strong! I can't believe I've found someone this kind
I hope we carry on
Cos you're so nice and I'm in love with you
