

Kate Nash, Merry Happy

Watching me like you never watched no one
Don't tell me that you didn't try to check out my bum
Cos I know that you did cos your friend told me that you liked it
Gave me those pearls and I thought they were ugly
Though you try to tell me that you never loved me
I know that you did cos you said it and you wrote it down

Dancing at discos
Eating cheese on toast
Yeah, you make me merry
Make me very very happy
But you, obviously, you didn't want to stick around

Dancing at discos
Eating cheese on toast
Yeah, you make me merry
Make me very very happy
But you, obviously, you didn't want to stick around

So I learnt from you
Do do do da do do do do do da do do do do da do
Do do do da do do do do do da do do do do da do
I can be alone
Yeah
I can watch a sunset
On my own
I can be alone
Yeah
I can watch a sunset
On my own
I can be alone
Yeah
I can watch a sunset
On my own
I can be alone
Yeah
I can watch a sunset
On my own
I can be alone
Yeah
I can watch a sunset
On my own
I can be alone
Yeah
I can watch a sunset
On my own
I can be alone
Yeah
I can watch a sunset
On my own

Sitting in restaurants
Thought we were so grown up
But I know now that we were not the people that we turned out to be
Chatting on the phone
Can't take back those hours
But I won't regret cos you can grow flowers
From where dirt used to be

Dancing at discos
Eating cheese on toast
Yeah, you make me merry
Make me very very happy
But you, obviously, you didn't want to stick around

So I learnt from you
Do do do da do do do do do da do do do do da do
Do do do da do do do do do da do do do do da do
