

Kate Nash, Stitching Leggings

I was sowing my leggings back together.

But not very well

I was, standing by the dashboard, when that plate, it sorta just..fell.

Well sometimes I think that I'm lucky.

And other times, I don't.

Well most of the time I just think

well I'm lucky I don't have all the power in the world so I cant f**k everything else up.

well I'm lucky I don't have all the power in the world so I cant f**k everything else up.

Well at least I'm lucky I don't have all the power in the world so I can't f**k everything else up.

I was, making the dinner.

When it sorta just burnt.

I was, walking down the stairs, when I tripped, fell to the bottom, broke my foot and

It really f**king hurt.

Well at least I'm lucky I don't have all the power in the world so I can't f**k everything else up.

Well at least I'm lucky I don't have all the power in the world so I d can't f**k everything else up.

Well at least I'm lucky I don't have all the power in the world so I can't f**k everything else up.

Well sometimes I think that you hate me.

And other times I think that you think I'm endearing.

Sometimes I just don't know you at all.

Even though I like to think I was a bit of a know-it-all

Sometimes I just cant work you out

Even though Id like to know what you were about

Well at least I'm lucky I don't have all the power in the world so I can't f**k everything else up

Well at least I'm lucky I don't have all the power in the world so I can't f**k everything else up

Well at least I'm lucky I don't have all the power in the world so I can't f**k everything else up

Well at least I'm lucky I don't have all the power in the world so I can't f**k everything else up

Well at least I don't have all the power in the world so I can't f**k everything else up

Yeah I don't have all the power in the world so I can't f**k everything else up

Yeah at least I'm lucky I don't have all the power in the world so I can't f**k everything else up
