

# Kate Nash, The Shit Song

It is like I'm always thinkin to myself  
I'd like to meet someone else  
It is like I'm always thinkin to myself  
I'd like to meet someone else

Darling don't give me shit  
Cos i know that your full of it  
(you're full of shit, you're full of shit)  
Darling don't give me shit  
Cos i know that your full of it  
(you're full of shit, you're full of shit)

I'm sittin' with my friends gettin' drunk again  
On wine and I think about you  
I'm sittin' with my friends gettin' drunk again  
On wine and I think about you

Darling don't give me shit  
Cos i know that your full of it  
(you're full of shit, you're full of shit)  
Darling don't give me shit  
Cos i know that your full of it  
(you're full of shit, you're full of shit)

You don't have to be so up yourself all the time  
You don't have to think about yourself all the time  
You could come round mine  
We could drink some wine  
It could be quite nice  
In the summertime

Actually I might just have the bottle to myself.
