

Kate Nash, This house

This house, is colder than it used to be
The walls are dirty where they used to be clean
The floorboards are squeaking, when they only used to creak
And the water doesn't run quite as smoothly
The lightbulbs are broken, the dashboard is chipped
And I'm praying to God that you don't abandon ship
because I don't know what I'd do without you
Yeah I dunno what I'd do without you
I said I, I hope that you make it
Yes I, I hope that you do
I said I, I hope that you make it
Yes I hope that you do
I said I hope hope hope that you make it, I hope that you do
I said I hope that you make it I hope that you make it I hope that you do
Life doesn't run to suit you, oh yeah, I know that it doesn't
Life doesn't run to suit you, oh yes, I know that it doesn't
Life doesn't run to suit you, oh yeah, I know that it doesn't
But I really really hope you pull through
Because I dunno what I'd do without you, Yeah I dunno what I'd do
I said I dunno what I'd do without you, Yeah I, don't know what I'd do
I said I don't know what I'd do without you yeah
I don't know what I'd do
I said I don't know what I'd do without you, I don't know what I'd do
I said I hope that you make it
Yes I, I hope that you do
I said I hope that you make it
I hope that you pull through
I hope that you pull through
I, I, I, hope that you pull through
I hope that you pull through
I hope that you pull through
I hope that you I hope that you make it
Yes I, I hope that you do
I said I, I hope that you make it
Yes I, I hope that you pull through
Because I dunno what I'd do without you
I said I dunno what I'd do without you
I said I dunno what I'd do without you
I said I dunno what I'd do without you
I said I, I hope that you make it
Yes I, I hope that you do
I said I, I hope that you make it
I hope that you pull through
I hope that you pull through
I hope that you pull through
I hope that you pull through
I hope that you pull through
