

Kate Ryan, Love Life

Don't ever hide
Believe inside
It's all I hold on to
Never forget
Sans regret
Or you won't find the real you

If you know what I mean say, yo
If you feel what I feel, yo
'Cause things can only get better

If you're riding in the club say, yo
If you're banging the drum say
We can all stand together

One life
One love
All you need in life is one love
/2x

oho oho oho oho /x2

The air I breathe
Is pure and clean
And you should breathe it too
Just live a dream
Raw energy
It's taking over you

If you know what I mean say, yo
If you feel what I feel, yo
'Cause things can only get better

If you're riding in the club say, yo
If you're banging the drum say, yo
We can all stand together

One life
One love
All you need in life is one love
/2x

oho oho oho oho /x2

One life
One love
All you need in life is one love

One love
One life
Everything will be alright
/3x

One life
One love
All you need in life is one love
