

Katerine, Catfight

Round one come on put your money down
Won't stop till I get you on the ground
If you're looking for a catfight
Girl you're gonna get it from me
Round two, I heard you fucked my love
You kiss and tell, now you can kiss my glove
If you're looking for a catfight
Get your ass in front of the referee
Catfight, I'm scratching at your door tonight
Wrong start, you shouldn't break a kitten's heart
Bad move, I'm gonna stop your filthy groove
So meaow meaow, I'm gonna get you back somehow
Round three come on make some noise 4 me
You're blue and black with my stiletto on your back
You were looking for a catfight
I got no mercy mercy for you tonight
Catfight, I'm scratching at your door tonight
Wrong start, you shouldn't break a kitten's heart
Bad move, I'm gonna stop your filthy groove
So meaow meaow, I'm gonna get you back somehow
Catfight, I'm getting back whats mine tonight
Wrong start, you shouldn't break this kittens heart
I won't stop, I'll show you who's the bitch on top
So meaow meaow, I'm gonna get you back somehow
I got a tip of your clever trick
Nothing left to do
So I'm here to make your nightmares come true
It aint right but I'm willing to fight
And I'd even scratch and bite
So hold me back, I go crazy like that
And I'll stop at nothing once I attack
Let the situation out the ring
I feel I got to do my thing
I'll make you wish you never set your thin lips on him
You bitch
